We're building a stronger Northern Nevada workforce.

GoodJobsNorthernNevada.org

GJNN is focused on four key Nevada industries.

1. Healthcare

Median wage: \$17–\$23/hour

Healthcare workers help patients improve and maintain their wellbeing in a variety of ways.

- **Sample job:** Medical Assistant
- **Sample job:** Phlebotomy Technician

2. Manufacturing

Median wage: \$18–\$23/hour

Manufacturing workers operate machines and other equipment to assemble goods or distribute energy.

- **Sample job:** Industrial Machine Mechanic
- **Sample job:** Order Filler

3. Logistics

Median wage: \$17–\$25/hour

Workers in this field are involved with how resources are acquired, stored, and transported to their final destination.

- **Sample job:** CDL Truck Driver/Fork Lift Operator
- **Sample job:** Supply Chain Specialist

4. Digital Technology

Median wage: \$25–\$32/hour

Information Technology (IT) workers support computer applications, systems, and networks.

- **Sample job:** Computer Support Specialist
- **Sample job:** Data Analyst
